In Re: James A. Nelles Swimming Pool

The time is fast approaching for pool season to begin! In keeping with that thought, the City of Oil City is anticipating some tough economic times with the swimming pool and concession area.

As you know, the pool is a great source of fun and exercise for our local youth and families. Oil City has had a municipal swimming pool for many decades, delivering countless hours of enjoyment for many families. It surely would be a shame if it would need to be closed.

The City has hopes of breaking even this summer without raising attendance rates and concession prices. In this vein, the City is asking for your help in order to subsidize the pool operations.

Please consider making a donation to the swimming pool and keeping this tradition alive.

We sincerely appreciate your generosity.

Very truly yours,

Jason Herman  
Foreman, Water Department
