What Is "Main Street?"

The Oil City Main Street Program is a volunteer-driven initiative focused on revitalizing the central business district (C2 zoned areas) of Oil City. Since our program began in fall 2011, we have welcomed 20 new businesses and generated over \$176,000 in downtown storefront improvements. Our program follows the Main Street Four Point Approach® and is accredited by the National Main Street Center. The Oil City Main Street Program is funded by Pennsylvania DCED, the Elizabeth S. Black and Edith C. Justus Charitable Trusts, the City of Oil City, and numerous businesses, organizations and individuals.

Our Mission is to make Oil City's downtown business district aesthetically pleasing and economically viable, providing a foundation for the healthy growth and success of current and future businesses, for the benefit of current and future residents. Our downtown will become a regional destination for visitors to enjoy the arts, recreation and entertainment by leveraging our rich heritage and natural resources.
